MEMORANDUM FOR THE RECORD:

Subject: Motor vehicle insurance, London Bureau.

On September 13, 1945 a cable was received from the Chief, FBIS London Bureau, requesting authority to expend eighty-five (\$85) dollars per year for liability insurance on motor vehicles operated by the London Bureau.

The Chief, FBIS, called [] CIA Legal Counsel and discussed the legality of payment of the insurance, stating that the Chief of the London Bureau informed us that English law required all vehicles to be insured against third party risk and that all US State Department cars in London were insured for third party risk.
